"Best In America" Seal of Approval

You are authorized to use the "Best In America" service mark.
Your license agreement has been received and is on file.

The Independent Charities Seal of Excellence is awarded to the members of Independent Charities of America and Local Independent Charities of America that have, upon rigorous independent review, been able to certify, document, and demonstrate on an annual basis that they meet the highest standards of public accountability, program effectiveness, and cost effectiveness. These standards include those required by the US Government for inclusion in the Combined Federal Campaign, probably the most exclusive fund drive in the world. Of the 1,000,000 charities operating in the United States today, it is estimated that fewer than 50,000, or 5 percent, meet or exceed these standards, and, of those, fewer than 2,000 have been awarded this Seal.

The purpose of the ICA "Best In America" Seal of Approval is to help potential contributors easily identify your organization as one of the top charities in the country - one that meets the high standards of Independent Charities of America (ICA) and Local Independent Charities of America (LICA).

Members in good standing with ICA or LICA may reproduce the Seal, within the parameters of the License Agreement, on their letterhead, annual reports, solicitations, web sites, etc. at no cost, a benefit of membership.
